

Steps to Show Proof of Vaccination or Negative Test

•Step 1

•All attendees must upload proof of being Vaccinated with a Complete Initial Series of a COVID-19 Vaccine by May 26 (or within 24 hours of attending if you register after this date), or a negative COVID-19 test result with 24 hours (antigen) or 48 hours (PCR or molecular) of entrance to the event. Upload your documentation to the SafeSpaces Member app for [Apple](#) or [Android](#).

- Download SafeSpaces Member App and follow prompts to create profile.
- When prompted, enter Invite Code RSAC22.
- Follow prompts to upload documentation.
- Within 24-48 hours, attendees will see a green “**ALL CLEAR**” banner in their profile within the app.
- The SafeSpaces Member app supports global COVID-19 digital health passports. Anyone from outside the US can upload a screen grab of their digital health passport that includes their name and dates of their vaccinations.

•Step 2

- Onsite at RSAC 2022, attendees will show their green “**ALL CLEAR**” banner to the security guard to enter the Moscone Center South Lobby to pick up their badge.
- If an attendee has any questions onsite at RSAC 2022, they should go to the Moscone North Lobby and speak with a SafeHaus representative for support.
